**FOUND:RE Phoenix**

1100 N. Central Ave.

Phoenix, AZ 85004

**Phone:** (602) 875-8000

**Website:** <http://www.foundrehotels.com>

**Email:** [info@foundrehotels.com](mailto:info@foundrehotels.com)

**Description:**

FOUND:RE Phoenix is a reinterpretation of the boutique art hotel concept. Instead of merely creating a museum or gallery-like environment by placing artwork throughout the hotel, the FOUND:RE expands upon this concept by extending the artistic vision into every area of human culture within a hospitality venue. Art, design, food, music, products, services, and social interaction are all included in this unique hotel experience. While art plays a major role in the FOUND:RE experience, it does so in a broader sense. Just as a sculptural foundry manufacturer's raw materials and forms mold from which sculptors produce works of art, FOUND:RE Phoenix creates new experiences for its guests.
