

# DELIVERING FOR AMERICA

VISION. STRATEGY. ACTION.

**JOIN US AT THE NATIONAL POSTAL FORUM**

**CHARLOTTE, NC | MAY 21-24, 2023**

Attention mailing and shipping professionals, the NPF will be in Charlotte, NC May 21-24, 2023, to bring **Delivering for America** – The United States Postal Service’s commitment to achieve service excellence and to help put your business on a greater trajectory of success. Attendees will learn the latest insights of what *Delivering for America* means to you and your business as well as the most current and innovative USPS programs, initiatives, and solutions.

**Join us in Charlotte, NC and experience NPF 2023. It promises to be as rewarding for business as it will for the American public. The following will provide further details of what NPF 2023 will deliver.**

## EDUCATION

- 100+ USPS and Industry sponsored workshops with focus on mailing, shipping, ecommerce, data technology/visibility, product solutions, leadership professional development, and more.
- USPS Professional Certification Mail Design Course
- USPS Executive led sessions introducing a variety of topics essential to the mailing and shipping community.
- Special Symposiums including Small Business, Government Officials, Election Mail Officials, Digital/ Direct Mail Marketers.
- Peer-to-Peer roundtables – session designed for several small groups of industry colleagues to share innovative ideas for invaluable takeaways.

Education programs are subject to change. Consult [NPF.org](https://www.npf.org) for details.

## FEATURED USPS GENERAL SESSIONS

### Monday May 22, PMG Keynote Address

Louis DeJoy, PMG of the USPS will deliver remarks centered around the Delivering for America plan, for putting USPS on a positive trajectory with new opportunities for the mailing and shipping industry. Attendees will be updated on progress to dramatically improve on time delivery, USPS financial sustainability and strategies underway to change and improve the USPS delivery network, including priorities to position USPS, and its customers, well for the future.

### Tuesday, May 23, Network Redesign Keynote

Attendees will hear first-hand from senior USPS leadership how an integrated mail and package delivery network will enhance service commitments and performance for business mailing customers. This keynote address will share significant changes the USPS is putting in place to create a high-performing organization to better serve the mailing industry.
